

The World Will Wait

(Optional solo)

1 Shepherds who've walked through the stillest night,
Heeding the words of an angel so bright,
See the baby lying asleep,
Born in a stable for you and for me.

2 Wise men who've travelled so very far,
Under the light of a guiding star,
See the baby born in a stall,
Given this night to bring peace to us all.

(With harmony)

3 All who have journeyed to Bethlehem,
All those in search of the newborn King,
Hush your voices, don't let Him wake,
Just for this one night the world will wait.
