

# 'S No Problem

- 1 When the wind turns icy and the clouds go grey,  
(When the wind turns icy and the clouds go grey,)\*  
All the grown-ups shake their heads and start to say,  
(All the grown-ups shake their heads and start to say,)  
'It looks like snow today,  
They'll shut the schools today,  
I'll have to work at home today',  
But I say...

**CHORUS**    *'S no problem! ('S no problem!)*  
*Come outside and make snowmen. (Make snowmen)*  
*Don't worry! (Don't worry!)*  
*Grab your gloves and let's go. (Let's go)*  
*'S no problem!*  
*Come outside and throw snowballs,*  
*Don't worry!*  
*Come and play in the snow.*

- 2 When the flakes start falling on the frozen ground,  
(When the flakes start falling on the frozen ground,)  
All the grown-ups moan that they can't get around,  
(All the grown-ups moan that they can't get around,)  
'It looks like snow today,  
They'll shut the schools today,  
I'll have to work at home today',  
But I say...

**CHORUS**

\* To include the echoes and harmony throughout the song, split into two groups, with group 1 singing the tune and group 2 singing the echoes in brackets during the first part of the verses and chorus, and the harmony during the second part of the verses and chorus.
