Do you want to be able to keep up with your kids online?

"My kids know more about the internet than Ido..."

What happened in an Internet minute - 2020?

Facebook **13m logged in**

Instagram **698k scrolls**

Twitter **194k tweet**s

WhatsApp & FB Messenger **59m messages sent**

TikTok **14k downloads**

Twitch **12m views**

400k apps downloaded

1.1m spent online

There are lots of positives...

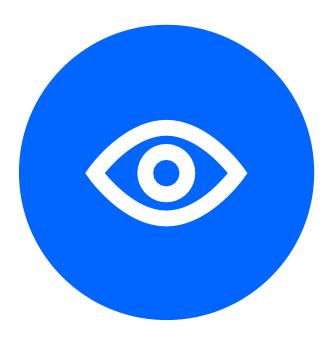

Online games can enhance teamwork and creativity

Add to the child's store of knowledge

Households with computers perform better academically

Improve both visual intelligence and hand-eye coordination

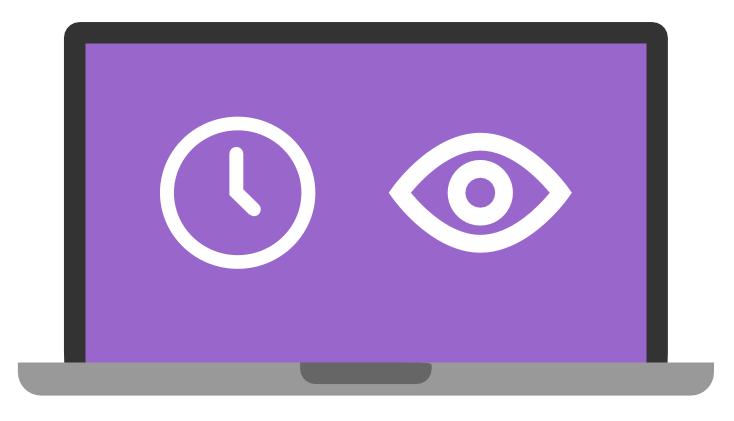

89% of 8-11 year olds said that using social media made them feel happy and 82% said it helped them to feel closer to their friends

2020 Ofcom

But technology can affect children's development...

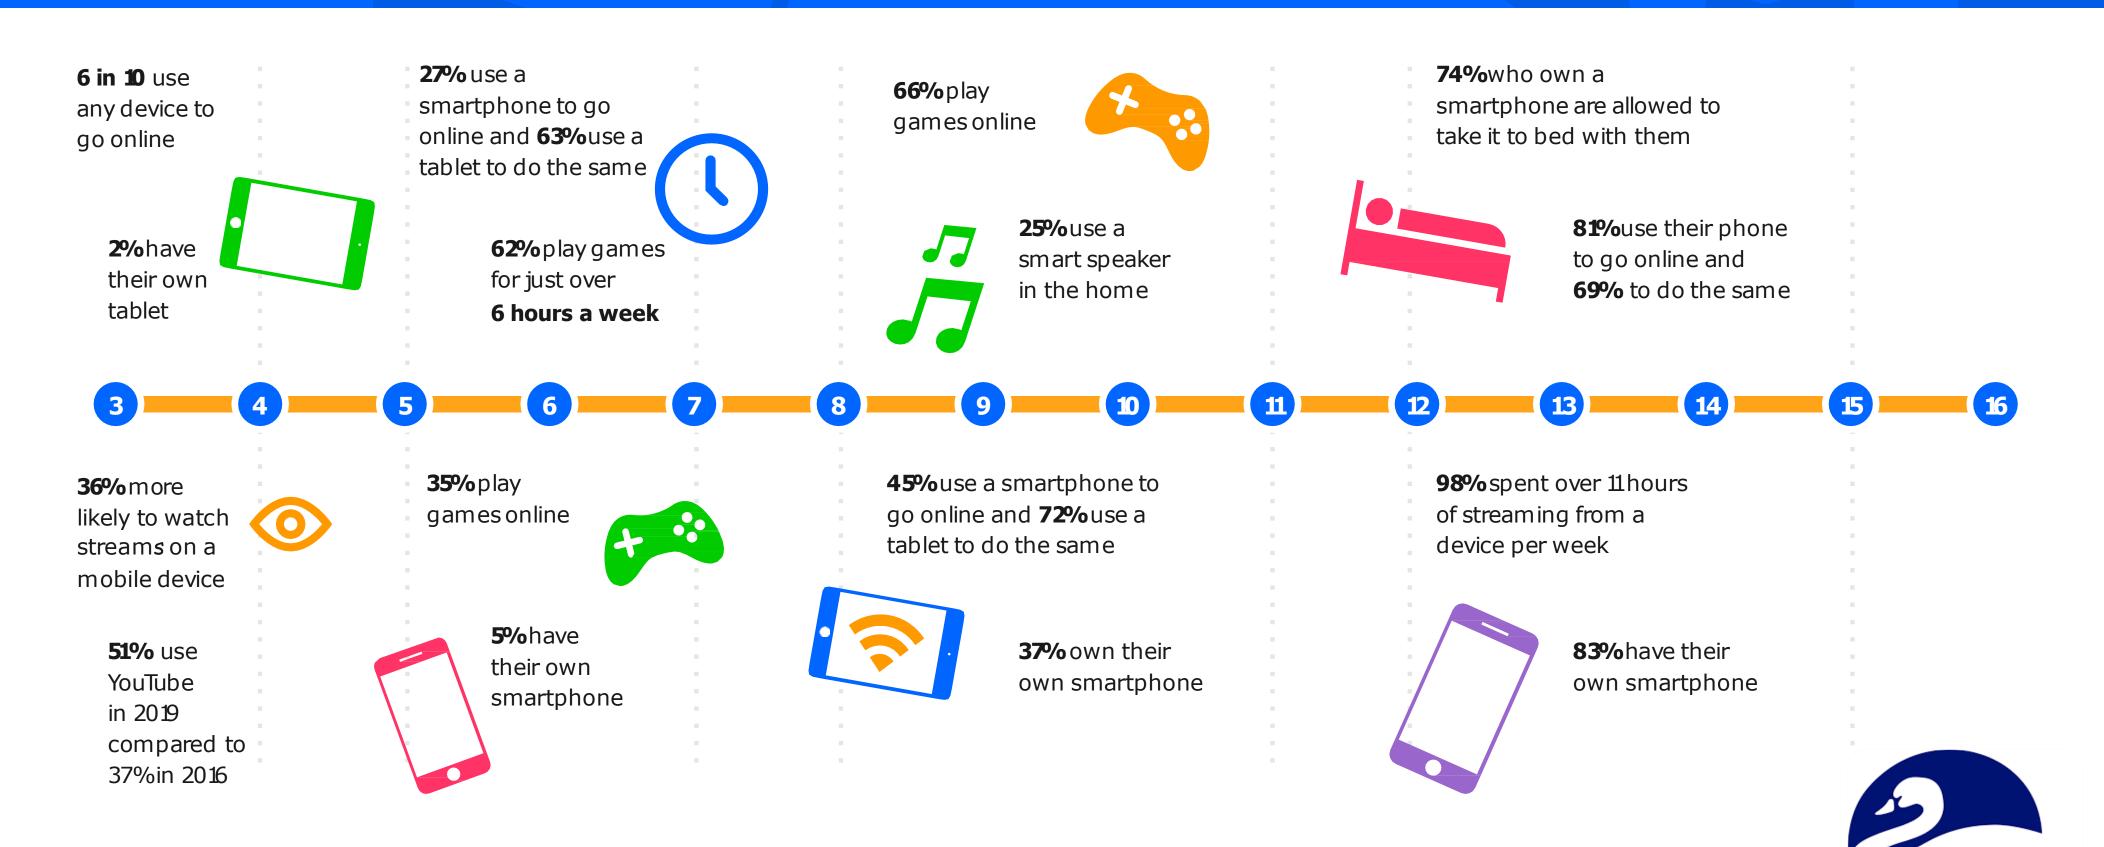

- **Sleep cycles** are affected by blue light from screens
- Screen-based entertainment increases central nervous system arousal

- Children today are more forgetful than OAP's
- One study found that the more distracted you are, the less able you are to experience empathy
- Gaming platforms use persuasive design in order to keep people using their product, and children are particularly vulnerable to these tactics.

Media usage by age

And there are risks...

High-Risk Online Scenarios						
Risks	Contact	Content	Conduct	Cyber scams	Overall risk – all 4Cs' together	
Vulnerabilities						
Special Educational Needs	Predicts contact risks. Includes sexting under pressure, coercion, blackmail, or threats to send more images				Significantly higher score for basket of all high-risk online scenarios	
Communication			Predicts conduct risks. More likely to visit gambling sites and chat rooms	May struggle to understand T&Cs - can leave them more susceptible to scams	Significantly vulnerable to the basket of all high-risk online scenarios	
Family / Social (care-experienced)		Higher exposure to harmful content		Particularly susceptible to cyber scams. This can link to being a victim of online aggression.	High overall risk for the basket of all high-risk online scenarios	
Mental health difficulties					Significantly high risk for the basket of all high-risk online scenarios	
Physical disabilities			Predicts conduct risks. More likely to visit sites with adult content.		Significantly more likely to experience a basket of all high-risk online	

Risks parents are concerned about

Concerns	% of parents	
Encouraging self-harm	62 %	
Privacy and data collection	50 %	
Cyberbullying	45%	
Radicalisation	41 %	
Excessive screen time	25 %	

Risk is not harm

Positive action can limit risks becoming harmful. Here are 5 tips for parents:

- 1 Understand the risks
- 2 Communicate regularly
- Keep the risks in proportion

- Agree on helpful mediation strategies
- Develop coping strategies that foster resilience

Dealing with inappropriate CONTENT

URL's showing pornographic content – **more than 12%**of the internet

Average age to **first view porn online**

of children have **seen explicit images** by age of 10

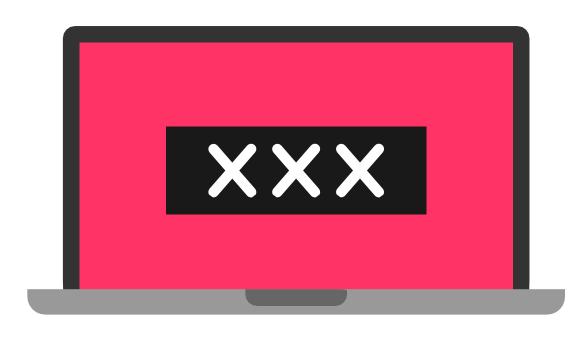

Dealing with inappropriate CONTENT

What to talk about

- They can come to you if they see anything that upsets them
- If they have seen pornography... that it presents an unrealistic image of sex and relationships
- The importance of respect for each other and the meaning of consent

Top tips / tools to use

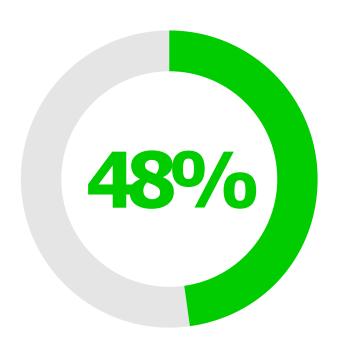

- Parental controls on home broadband
- Content lock on mobile networks
- Safe search on Google (& other browsers)
 & YouTube; child-friendly search engines

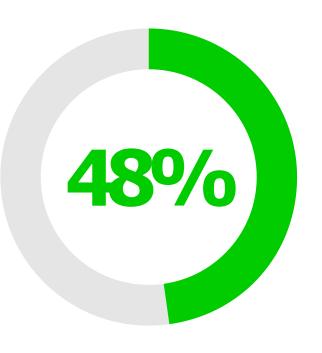

Dealing with inappropriate CONTACT

of secondary school children have talked to strangers on social media

of 11 year olds have a social media profile

Dealing with inappropriate CONTACT

What to talk about

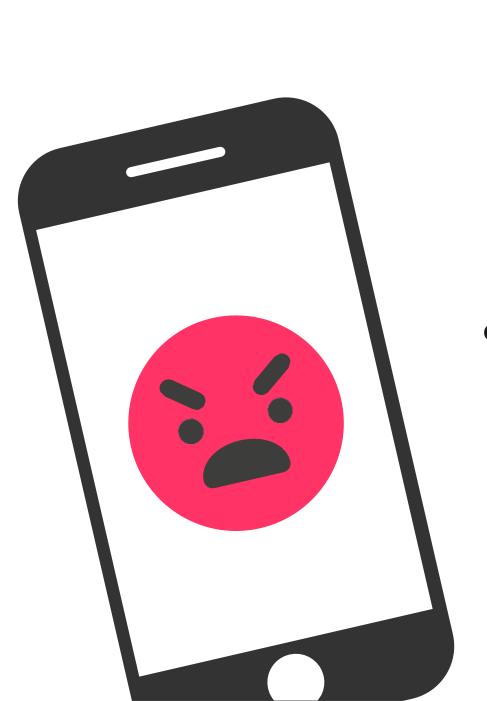

- Sometimes people hide behind fake profiles for dishonest reasons
- Agree how they will respond to requests from people they don't know in real life
- Never ever to meet up with anyone they don't know in real life

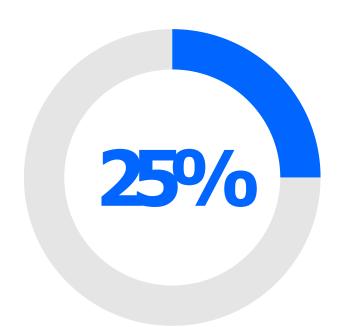

Top tips / tools to use

- Set up safe social media profiles that don't share personal information
- Turn off geolocation settings on devices
- Use the strongest privacy settings on social media
- Learn how to report/block/mute

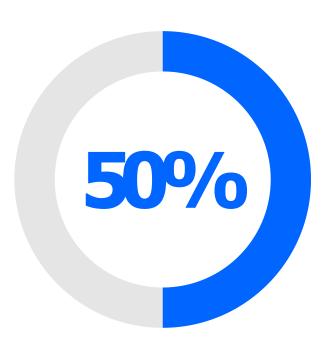

Dealing with inappropriate CONDUCT

of children will experience cyberbullying

of children say someone has been nasty online

Dealing with inappropriate CONDUCT

What to talk about

- Talk to a trusted adult if they experience anything upsetting online
- Think carefully about sharing images of others
- Be responsible online, remembering they are creating their own digital footprint

Top tips / tools to use

- Report inappropriate posts/content to the social media providers
- Think carefully about using monitoring apps that identify inappropriate behaviour

Dealing with 'SEXTING'

of young people are involved in sexting

Threat comes **mostly from peers** and is often coercive

What to talk about

- It's hard to control where images might be shared
- It's illegal to create or share a sexual image of a child under 18

Top tips / tools to use

- The T-shirt test if you wouldn't wear the picture on your T-shirt, don't share it online
- If your child is involved in sexting, contact CEOP & Childline who can help to remove images

What are children taught in school?

KS1

Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies

KS3

Understand a range of ways to use technology safely, respectfully, responsibly and securely, including protecting their online identity and privacy; recognise inappropriate content, contact and conduct, and know how to report concerns

KS2

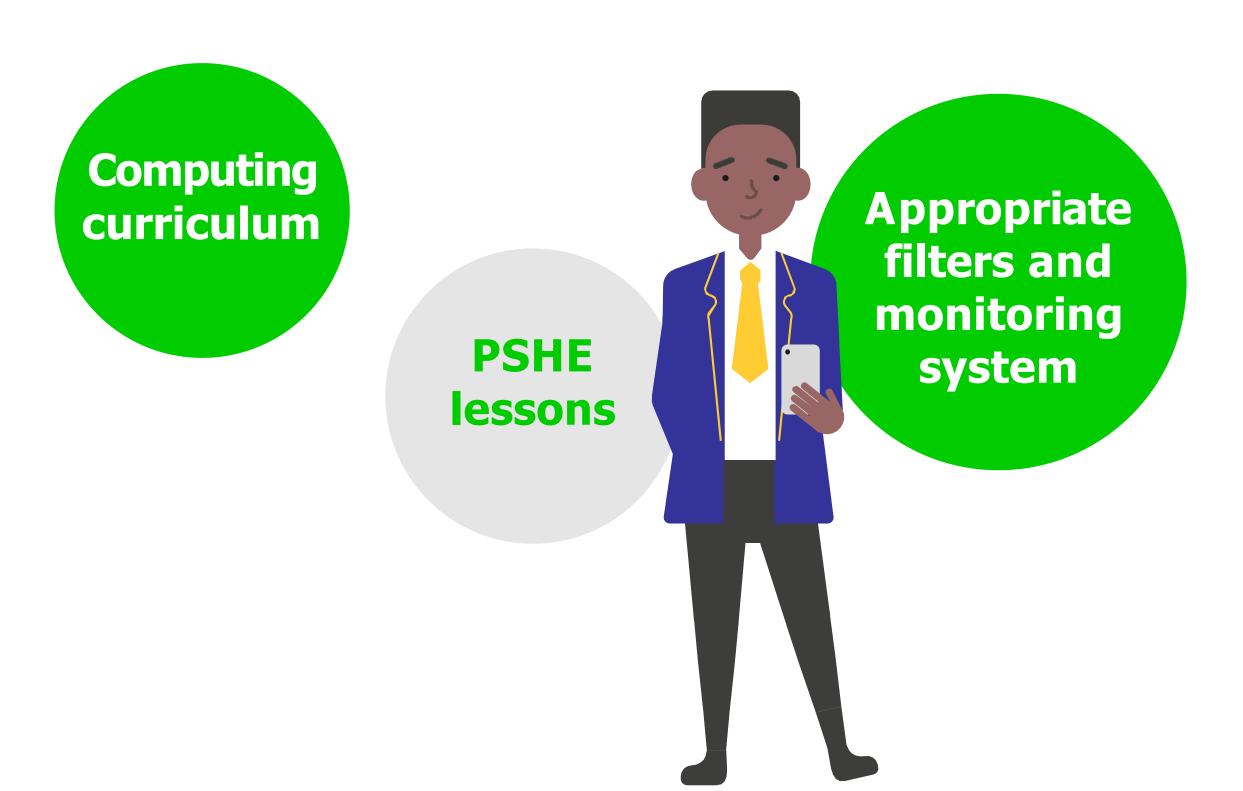

Use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns about content and contact

KS4

Understand how changes in technology affect safety, including new ways to protect their online privacy and identity, and how to report a range of concerns

In addition, schools embed it across...

Curriculum and safeguarding assessed as part of Ofsted framework

Controlling tech time

Your children will be watching the way you use technology and they will copy; make sure there is some consistency in how you **role model** good behaviour:

Turn off notifications on apps to avoid that constant 'ping'

'No phones at the table' rule or 'no phones between 6 and 7' rule

Buy an alarm clock so you don't have devices in the bedrooms

Family techfree days!

Keep phone on silent in your pocket or bag when you pick the kids from school

Controlling tech time

And there are tactics you can put in place to help manage their screen time....

- 1 Set a good example
- Talk together about the time spent online
- Agree on appropriate length of time they can use their device
- Get the whole family to unplug & create screen-free zones

Use technology/apps to help manage screen time e.g. Forest App

Three things to teach your child

Be a confident communicator

Be a critical thinker

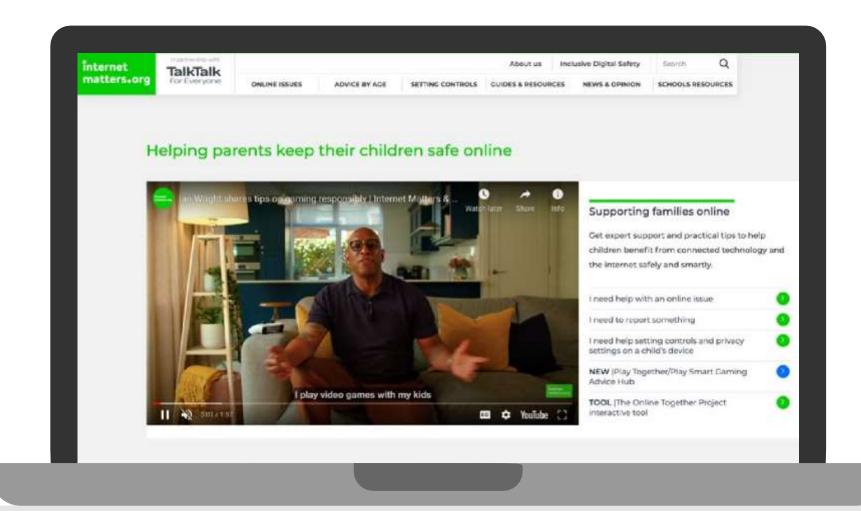

Be a capable tools user
