

ALDERSBROOK PTA NEWSELETTER

FEBRURY 2023

The Winter Trail - Thank You!

Our Winter Trail was a great success, raising £6000 for the school. We couldn't have done this without the phenomenal support from the school, parents and our local community. Thank you to all those that donated their time in advance and on the day, donated prizes to the raffle, to the families that came along and parted with their hard earned money and of course to Santa for his incredible stint in the Grotto. Special thanks to Mr Hughes and the Gibsons for spending an extra day in school making the magic happen.

New Event - Hair Raisers

We are planning a fundraising event for later this term for parents who would like to learn how to do their child's hair for school. We don't want to make dangerous generalisations, but Dads - we're looking at you. There will be a bar (also selling soft drinks) to entice you to come along.

If you are a hairdresser able to help, please let us know, we could use your help!

How the PTA is supporting the school

At the last PTA meeting and in consultation with the PTA Trustees we have agreed to fund the following:

- A class set of iPads which can be booked out by any class
- A replenishment of books for the Library Bus
- Repair of the climbing wall
- New basketball hoops
- New literacy books

Pending quotes we will also be funding the flooring for the SEN room.

How you can help

We are planning a number of PTA events for the Spring and Summer terms to continue to raise money for the school and, as always, would welcome your support and engagement.

You don't have to volunteer your time, we will gladly take advantage of your contacts and network... and of course turning up to and participating in the events helps enormously.

Our next open PTA meeting will be the evening of Wednesday 8th March at school. All parents and carers are automatically members of the PTA so please do come along and share your views.
