

Aldersbrook Primary School

Head teacher:

Mr. B. Hughes

Monday 7th January 2019

Dear Parents/Carers,

Clubs for Spring term will be available through the **parent portal** (ARBOR) on Tuesday 8th January 2019 at 5pm. Registration will be available for only 48 hours, and thus will close on Thursday 10th January at 5pm. This is based on a first come first served basis. Any requests for clubs before this will not be accepted. All clubs will be charged £8 for the whole term (10 weeks). This payment needs to be made before the first session and needs to be done through the parent portal. Please ensure that you are able to log into the parent portal before the club registration is live, so that there is no confusion when the time comes.

Please note the clubs in the attached timetable with the start and end dates. All internal clubs will not take place on the first week back after half term.

Please note that this is the first time we will be using club sign up through ARBOR, so there may be some hiccups during the process. We hope that the system will help the process to be more efficient and effective.

We would appreciate your patience in this matter.

Kind Regards,

Mr Islam
