Notices

**ISS Catering
Parent Meeting**

June 25th 8.30am KS1 Hall

Please join us to discuss and ask questions so we have the best possible meals we can for our children.

Healthy Snacks

Please remember that any snacks brought into school must be healthy. This includes no chocolate and sweets. Due to allergies the school is strictly nut free.

The Government are asking for parent feedback about the Universal Free School Meals for all Primary School children. If you would like to complete the survey please scan the QR code.

We are delighted to share the timetable for Sports Day 2024 with you all.

Sports Day is on Thursday 11th July 2024.

- Nursery - in school - more details to follow from the Nursery Team
- Reception - Wanstead Flats - 9:15am to 10:00am
- Year 1 & 2 - Wanstead Flats - 10:15am to 11:00am
- Year 3 & 4 - Wanstead Flats - 11:15 to 12:15pm
- Year 5 & 6 - Wanstead Flats - 1:45pm to 2:45pm

Your child will be told by their class teacher which team they are in. Please send them in to school on Sports Day in full PE kit with either their team colour t-shirt (red, blue, yellow, green or white) or their school PE t-shirt on.

Don't forget the much anticipated parents' races! Come in your running shoes to join in!

DIVERSITY WEEK

Aldersbrook Primary School

Diversity Week 2024

JUNE 17TH - 21ST

We are looking forward to our exciting week with so many visitors, ranging from Faith Ambassadors, The British Red Cross, Cristian Aid, The Leprosy Mission, selected authors, London Black Women's project, West Ham United players and many more!

They will highlight the achievements, differences, similarities and celebrations relating to disability, culture, faith and gender.

We hope that the week will make the children think and smile. We hope it will encourage them to be curious about the world around them and to respect others. I am sure they will come out confident in who they are in the world and determined to be involved in making society a better place to live in.

ALDERSBROOK DIVERSITY WEEK

Monday 17th June - Friday 21st June

“LEARNING ABOUT EACH OTHER”

Computing

@ Aldersbrook!

My name is Mr Gibson and I am the subject leader for Computing.

At Aldersbrook Primary School, Computing is designed to be engaging and purposeful so that all pupils feel involved and confident in every lesson. This is implemented through a range of opportunities for collaborative and interactive learning with both practical and visual aids used to cement pupils' understanding and make it accessible for all learners. We aim to foster curiosity within our children by exposing them to a wide range of applications and media throughout their time at Aldersbrook, from EYFS all the way through to when they leave us in Year 6. We all believe that it is absolutely crucial that when our children leave this school, they are equipped to lead on discussions, and know how to stay safe in an ever-changing online and digital world.

My favourite thing about leading this topic is just how much the pupils are able to articulate to me how much they enjoy the subject as a whole. I had a lovely moment last half term, where one pupil told me that she enjoyed computing so much, as it was a topic where she could really succeed and lead on, finding other topics such as English and Maths trickier at times. I think that this is so important, as it is really reflective of all of our pupils at this school, and reminded me how crucial it is for our children to enjoy and be engaged in a topic of learning in order to make great progress.

Google

I took over this topic at the start of the year, and want to ensure that it is something that is continuously being adapted and reflected upon to keep up to date with the fast pace of the modern world, so we can also ensure that our pupils are confident in navigating and leading in a world full of AI, social media and virtual domains. I look forward to the changes and challenges to come, but more so the countless opportunities our pupils will have to engage and enjoy their learning in Computing during their time at Aldersbrook.

Thoughtful thursdays

Please remember to donate to our Thoughtful Thursdays trolley.

Our Food Cupboard is open and available to anyone who needs it. Please feel free to come as little or as often as you wish, whether that is once a week, everyday or on a random occasion. It is open to all with no questions asked. We have pasta, tins of many things, toiletries and more...

Aldersbrook Medical Centre and families, some good news! but more to do....

Aldersbrook Medical Centre (AMC) patients, after some delay, received a letter towards the end of April from the Integrated Care Board (ICB) informing them that the Richmond Road Practice will continue to run the AMC until the 31 of March 2025 with no change in services. So our patient campaign has had an impact!

The next step is for the Patient Participation Group (PPG) to have our patient voice heard and communicate what services we want so that this is clear during the re-tendering process which will happen towards the end of this year. You can be a part of this. Come to our PPG meetings and look out for the Public Meeting we are planning in September/October to make sure as many voices as possible are heard. We would especially welcome parents with young children and those caring for children with disabilities.

Aldersbrook Medical Centre Patient Participation Group
