

Autumn Term

Overview

What can we find out about our local area?

Our Big Question:

How can learning about the past make for a more peaceful future?

This term, we will be learning:

History: We will learn about the old toys.

Geography: We will learn about our local area.

Art: We will be learning how to sketch.

D&T: We will be using levers to create a toy.

Computing: We will be learning about how technology is used in our lives and digital painting.

PSHE: We will learn about our emotional well-being and physical health.

Music: We will listen and appraise a piece of music and practice our vocal skills.

PE: We will be learning fundamental skills and ball skills.

RE: We will learn about Christianity and festivals in a range of religions.

Other Information:

- Year 1 will go on a local area walk.
- We will visit our local church.
- We will hold a toy museum in school.
- Year 1 will try curiosity shop for the first time.

[MORE INFO](#)

English

We will read:

The Gruffalo

Please do not pre-read the following texts as predicting is part of our learning.

Beegu

The Naughty Bus

Oh No George

The Runaway Pea

Maths

We will be learning about teen numbers and how they are made of ones and tens.

We will be learning about number bonds to 10.

We will be learning about 2D and 3D shapes.

We will be looking at addition.

Science

We will learn about the seasons, their features and related weather changes.

We will be looking at materials, their purposes and properties.

We will be testing out different materials. This links to our learning in history of old toys.

Guided Reading

We will be sharing a range of books as a whole class to practice our reading and listening skills. We will discuss the setting, plot and characters.
