

Year 1 Homework

Week 1

11.09.26

Dear Parents and Carers,

Please ensure that your child completes their homework. Any extra reading will help improve their results greatly. Thank you for your help and support!

Homework is given out every Friday and needs to be completed by the following Wednesday.

English

This week, we have been reading the book *We're all Wonders*. Talk with your child about what makes them special and wonderful. Encourage them to think about how they can show kindness to others.

You could also talk together about whether they made a new friend this week and what they enjoyed doing together.

Reading:

Don't forget to bring your phonics book in on **Monday**.

Maths

This week in Maths, we have been developing our counting skills and exploring numbers in different ways. Practise counting together at home and look for numbers in your everyday surroundings. Practise writing numbers 1-10.

Challenge: See if you can match the number to the word.

1	2	3	4	5
6	7	8	9	10

Curriculum

In science, we have been looking at the seasons and how they affect the weather.

Tell your adult which weather is your favourite and which season this would happen in.

This week, we went on a walk around our playground to observe seasonal changes. What did you notice? What items did you find during our walk?
