

Curriculum Overview

Aldersbrook Primary School

Year 3

Autumn Term

Stone Age

This term we will be learning to...

- What life was like in the Stone Age
- How they travelled/what they ate/where they lived
- In D&T we will be creating pottery replicas that were used to gather food.
- In Art we will study the work of Arcimboldo- Natural Art linked to cave art and the use of food to create a picture.
- In R.E- We will look at why Jesus is important to Christians, who should inspire us and where and why people worship.
- In Science- We will be investigating different rock types, their properties and uses in the home and beyond.

Big Question:

What are the most important things in life?

Other Information

We will be creating a Rock Museum for you all to virtually experience. Don't be surprised to see a protest on your way in. We will let you find out what we are protesting about when you watch.
