

Aldersbrook Primary School

Headteacher:

Mr B. Hughes

Tuesday 20th October 2020

Dear Parents/Carers,

We are pleased to inform you that as part of our **'Space and The Solar System'** topic next half term we have arranged an internal educational visit from the Wonder Dome Company. This will give the children a fantastic opportunity to engage, explore and extend their learning of the topic.

During the visit, the children will be participating in a show which explores our own solar system, looking at our neighbouring planet's characteristics and traits. The children are taken on a tour of the major planets: Mercury, Venus, Mars, Jupiter, Saturn, Uranus and Neptune, as well as other major aspects in the solar system such as our moon and other planet's moons.

Event date: Monday 2nd November 2020

Cost: £5

To cover the cost of the educational visit, we are asking for a voluntary contribution of £5. Payments can be made from 4pm on Tuesday 20th October 2020 until 6pm on Sunday 1st November 2020 and will only be accepted online via Arbor at aldersbrook.uk.arbor.sc.

Thank you for your continued support.

Yours sincerely,

Mrs Kamali, Mr Hemmings and Miss Warwick-Baker (Year 5 Team)

Harpenden Road, Wanstead, E12 5HL
